Church Development In South Discussed

A meeting of great importance to the future of the Southeast Conference and the Southern Conference was held at the Towne House Motor Lodge in Greensboro, N. C., June 1-3.

This meeting was called by the Rev. Dr. Purd E. Deitz, General Secretary of the Division of Church Extension of the United Church Board for Homeland Ministries. Its purpose was to explore and make plans for progress in developing all phases of the life and work of the two conferences of the United Church which cover the southern states.

Nine representatives from the staff of the United Church Boards and Instrumentalities were at Greensboro to help in the study and analysis of our problems in this area. They were:

Rev. Purd E. Deitz, Division of Church Extension; Rev. Percel O. Alston, Division of Christian Education; Rev. Edward M. Brown, Dept. of Race Relations & Youth Work; Rev. John C. DeoBer, Dept. of the Urban Church; Rev. Karlton C. Johnson, Stewardship Council; Mrs. F. C. (Emily) Lester, Council for Lay Life and Work; Rev. George Nishimoto, Council for Church and Ministry; Rev. Horace S. Sills, Dept. of Town and Country; Rev. Harold K. Schulz, Council for Christian Social Action.

Those invited to represent the Southeast Conference, and who attended, were: Rev. Dr. William J. Andes, Conference Minister - Superintendent-Elect; Rev. Frederick A. Meyer, Moderator of the Southeast Conference; Mrs. Edward M. Brown, Chairman of the Commission on Lay Life and Work of the Southeast Conference; Rev. and Mrs. Arnold Slater, Tennessee-Kentucky Association (Mr. Slater also serves on the Executive Council of the United Church); Rev. Dr. Jesse H. Dollar, Pastor-at-Large of the East Alabama Association.

The Southern Conference was represented by an equal number of ministers and lay leaders, including the Rev. Dr.

James H. Lightbourne, Jr., formerly Superintendent of our Conference, now serving the Southern Conference.

The discussion over the three day period covered such subjects as our needs in Christian education, the problems of our smaller and weaker churches, the development of more ministerial leadership, including raising the standards of ministerial preparation, and the possibilities for growth and development through the founding of new churches, especially in the areas of metropolitan growth.

Among the suggestions made and discussed for the development of our church life in the two conferences were:

1. Consultations with local churches which have problems.
2. Securing a Field Worker to visit churches (especially in Christian Education).
3. Developing a conference center, for camping, institutes, and year-round activities for churches and groups of churches.
4. Planning a strategy for new church development.
5. Establishing a clear public image of the United Church of Christ, so that the general public will understand our church and what it stands for.
6. Communication for Unity of Planning between the Southeast Conference and the Southern Conference.
7. Development of Leadership Education and Lay Education.

During the discussion of these and other problems, our conference representatives emphasized the need of increased financial support for their work from the boards and agencies. Out of this emphasis two specific requests are made from the Southeast Conference. It is hoped that the Southeast Conference may be able to establish a staff of three people to carry forward our work. In addition to our Minister and Superintendent, Dr. Andes, we are hoping to have a staff member in Christian Education and

Dr. And Mrs. Fletcher Cummings Lester On Around-The-World Tour

The Rev. Dr. and Mrs. Fletcher Cummings Lester, High Point, N. C., will fly from Greensboro on June 8 on a round-the-world tour on behalf of the United Church of Christ.

Dr. Lester, a minister of the United Church of Christ, has recently completed many years of pastoral service which began when he was still a student at Elon College, Elon. Mrs. Lester is a member of the denomination's national staff, serving as Southern Area Secretary of its Council for Lay Life and Work.

Dr. and Mrs. Lester have been officially named for this tour as "Missioners of the United Church Board for World Ministries," overseas agency of the United Church of Christ. As "missioners" they will make an intensive study of the work of the church abroad. Their longest stop will be in Japan where they will meet their daughter, Elizabeth, who has been in Kobe for three years, teaching English at Kobe College.

After a month in Japan, Dr. and Mrs. Lester will fly westward to Okinawa, Taiwan, Hong Kong, the Philippines, Thailand, India, Iran, Lebanon, Jordan, Turkey, Greece, in every country visiting work of the United Church of Christ, which in most places is carried on cooperatively with other denominations. In Europe they will make stops in Rome, Naples, Geneva, Berlin, Paris and London. They will return to Greensboro on September 29.

Born in Rockingham County, N. C., Dr. Lester attended preparatory school and college at Elon, graduating in the class of 1918. Since receiving his B. D. from Yale Divinity School in 1924, Dr. Lester has served churches in Franklin, Waverly and Norfolk, Va., and in Ashboro and High Point, N. C., and also was the first superintendent of the Southern Convention (1938-1946) and editor of its weekly news magazine, *The Christian Sun*, for 12 years. He received the D. D. degree from Defiance College, Ohio.

Mrs. Lester, who is on sabbatical leave, is a native of New Smyrna, Fla. She is a graduate of Florida State College, Tallahassee, and taught in the Winter Park (Florida) High School for five years preceding her marriage. For a number of years she served as writer of lay activities for the *United Church Herald*, official magazine of the

denomination, and had a regular column in *The Christian Sun*.

The Lester's second daughter, Dorothy, will graduate from Vassar in June and their son, Harry, is a student at Rollins College, class of 1967. Both will accompany their parents on their trip as far as Japan.

On his return Dr. Lester will interpret the overseas work of the United Church of Christ to congregations in various parts of the country, but particularly in the South. He will speak under the auspices of the denomination's Stewardship Council and in co-operation with state conferences. Mrs. Lester will return to her work with the Council for Lay Life and Work.

The United Church Board for World Ministries has an overseas staff of more than 450 missionaries serving as teachers, doctors, nurses, agricultural experts, social service workers and ordained ministers in churches in more than thirty countries. They work with nationals of these countries in hospitals, clinics, social service centers, local congregations, and in educational institutions ranging from kindergartens through universities, nurses' training and medical schools, home economics and agricultural institutes, and theological seminaries.

Mrs. Lester, or "Emily", as she is affectionately known in the area of the Southeast Conference, carries with her on her world-wide trip our prayers and well wishes for a safe and wonderfully satisfying journey, and a home-coming safe and filled with many happy memories. We eagerly anticipate her narrating her trip when she returns to our area this fall.

Members are: Mr. Joe L. Hofer, Birmingham, Ala.; Rev. Allen B. Hollis, Langdale, Ala.; Rev. S. Lawrence Johnson, Birmingham, Ala.; Rev. G. Franklin Lewis, Montgomery, Ala.

Further details will be mailed out from the conference office at a later date. But make your plans NOW to be present in Atlanta for this important planning meeting.

Herman G. Liechty

The people and churches of the Southeast Conference will be grieved to learn of the death on May 12, 1966, of Mr. Herman G. Liechty of Belvidere, Tennessee. Funeral services were held in the First United Church, Belvidere, on Saturday, May 14, the Rev. Melvin R. Fenner officiating. Interment was in Belvidere.

Mr. Liechty, an active and dedicated churchman, was a long-time friend of the old Southeast Convention, and actively supported the formation of the new Southeast Conference of the United Church of Christ. He will be greatly missed from the life of our Conference.

The Southeast Conference, its staff, its churches, ministers and people extend heartfelt and sincere sympathy to the family in this, their hour of great loss.

Family Thank Offering

Do not let people forget their Family Thank Offerings. In a conspicuous permanent place in your church have a constantly changing set-up with a Thank Offering Box. The Wright Studio Catalog will give you many ideas. Here are a few:

1. Place beside, behind, around, or in front of the box (sometimes elevated) such things as:

a) The Cross with a small Bible opened.

b) Stand-up cards which you have decorated with sentences and decorative elements cut or torn from the MQ or the Inasmuch Napkins. (These napkins may also serve as covers for pages on which you will write brief notations about causes your offerings support).

c) A Global Seals Triangle from the Global Seals Kit (30c).

d) Selected Silhouettes (aged, delinquent, alcoholic, etc.).

e) Two Christian Stick Pin Flags (4c ea.) standing in styrofoam bases.

f) International Cut-Outs on either side of a Cross.

g) An Open Bible Centerpiece (all four Scriptures are appropriate).

Several Puzzlemats, Napkins, and Folder-Mats have special relevance and can be used under or to provide a verticle background for the Offering Box: The World, Persons of Special Need, and Christian Mission Puzzlemats; the Global and World Fellowship Napkins; the Good Samaritan and Global Folder-Mats (both 3c each).

Cut around the figures on the Nationalities Favors leaving a base which can be folded back and forth to make the figures stand in a circle around your Offering Box. The colors are lovely. You may also cut the flags from the Chart of 84 Flags (45c) and insert them into the ripples of flexible corrugated to surround the Offering Box. See Creative Uses for New Nations Accessories (15c).

For an Ingathering Service, particularly one following a dinner, the Christian Witness Puzzlemat, MQ (Miss-Quotient) Napkin and the Vine and Branches Decoration can be used in very meaningful ways. The "I Am the Vine, ye are the branches" theme would unify the whole. The Vine and Branches Decoration could decorate a mammoth thank offering box in which family boxes are placed.

Stewardship Council Holds Regional Meeting In Atlanta, June 9 - 11

A meeting of representatives from judicatories in the Southern Region, together with representatives from the national Stewardship Council, met at Central Congregational Church in Atlanta, Georgia, Thursday, Friday, and Saturday, June 9-10-11. The meeting was under the leadership of the Rev. Karlton C. Johnson, Southern Regional Secretary for the Stewardship Council.

Help Available For Local Churches In Christian Enlistment

The Rev. Karlton C. Johnson of the Stewardship Council, is offering to help local churches by having Christian Enlistment Workshops in the churches that request such aid.

Each church is asked to have present for such a workshop the pastor, chairman of Christian Enlistment, and one other leading layman or lay woman.

The East Alabama area is especially fortunate in that not only is the Rev. Karlton C. Johnson ready to help, but its own Pastor-at-Large, the Rev. Dr. Jesse H. Dollar, chairman of the Southeast Conference's Commission on Our Christian World Mission, and an acknowledged expert in all phases of Christian Stewardship, is always anxious to help any local church which may ask his help and counsel.

Rev. Mr. Johnson may be reached at 250 East Ponce de Leon Avenue, Decatur, Georgia 30030. Dr. Dollar's home address is 51 Lakeview Drive, Roanoke, Alabama 36274.

The Church Of My Dreams

This is the church of my dreams:
The church of the warm heart,
Of the open mind,
Of the adventurous spirit;
The church that cares,
That heals hurt lives,
That comforts old people,
That challenges youth;
That knows no divisions of culture or
class;
No frontiers, geographical or social,
The church that inquires as well as
avers,
That looks forward as well as back-
ward,
The church of the Master,
The church of the people,
High as the ideals of Jesus,
Low as the humblest human;
A working church,
A worshipping church,
A winsome church;
A church that interprets the truth in
terms of truth; that inspires courage
for this life and hope for the life to
come;
A church of courage,
A church of all good men,
The church of the living God.
